Re: Odessa West Water, Stormwater, Drainage, and Road Improvements

Dear Resident,

Loyalist Township staff and our contractor, K. Mulrooney Trucking Limited, are preparing for construction in your neighbourhood to get underway. The streets affected by this project are Battery, West, Emma, Cross, South, and Bridge Streets.

We expect construction to begin in the first week of July. You may notice preliminary activity during the week of June 26. We encourage you to visit the project webpage, where we will post updates as the project progresses: www.loyalist.ca/OdessaWest On the webpage you can also sign up to receive email updates directly from us, watch the recording of the virtual information session we held in March, and look at construction drawings that show what is planned near your property.

If you have questions or concerns throughout the project, please feel free to approach Township staff onsite, or to contact the undersigned.

Yours truly,

Joe Gratton
Project Supervisor
