Agenda for 45th Session of Council

Accessible Transit - Service Agreement - Amey's Greenwood Taxi Ltd.

The Mayor and CAO were authorized to enter into a service agreement with Amey's Greenwood Taxi Ltd. for the purpose of providing accessible public transit services for eligible residents of the Amherstview transit area for a one year period as a "pilot project," commencing on July 1, 2021, with the option to renew, for an additional one year period, subject to annual budget approval. Staff were directed to provide a project status update to Council at the end of 2021, or sooner if the costs exceed \$75,000 in 2021.

Loyalist East Business Park Pricing

Staff were directed to set the price per acre for the remaining Loyalist East Business Park lots under phases 1 and 2 at \$105,000 per acre, with the intent of recovering costs for phase 2 of development. Council confirmed that any unrecovered servicing costs will not be recovered under the Development Charges Act, 1997. Staff were also directed to review pricing alternatives and options and provide a report with recommendations for Council's consideration.

Financial Relief Measures

To encourage residents to remain safe while under a provincewide Stay-at-Home order, Council approved the following financial relief measures for residents:

- Late fees, interest or penalties on Utility and Property Tax that would normally be accrued until 4 weeks after the current Stay-at-Home order is lifted.
- The extension of the early bird rate of \$15.00 for dog tags throughout the 2021 calendar year.

Economic Development Opportunities Report - L&A County

Stephen Paul, Director, Community & Development Services with the County of Lennox & Addington provided an update and presentation to Council on a recent Economic Development opportunities study conducted by the County.
