This document can be made available in other accessible formats as soon as practicable & upon request.

Agenda for 52nd Session of Council

Water Conservation Incentive Program

Council enacted a bylaw to establish a policy outlining the eligibility criteria and administrative requirements for the water conservation incentive program. This program will grant owners a \$50 credit per single family unit upon installation of a low-flow toilet or high-efficiency faucet. A determined budget will be set annually for this program as approved by Council. More information on the program is available at loyalist.ca/WaterRebate

2021 Draft Development Charges Presentation

Council received a presentation with draft development charges ("DCs") as calculated by Hemson Consulting Ltd. based on information provided by Township staff. Following the presentation, Council directed staff to work with Hemson Consulting Ltd. to finalize a draft version of the development charges background study for posting on August 26 as legislatively required. Council also directed staff to hold a virtual consultation session with stakeholders, and to advertise and hold a Public Meeting scheduled for September 27 to receive comments on the draft development charges study and by-law with the intent to adopt at the October 25th Regular Council Meeting.

Community Safety & Well-Being Planning Update

Council received a presentation from Upstream Communications regarding the status of the Community Safety & Well-Being Plan for Lennox & Addington County, Deseronto and Tyendinaga Township.

Operating, Capital, and Reserve & Reserve Fund Status

Council received a report from the Business Services Department with a 2021 second quarter update on operating and capital budget to actual review, along with updates on reserve & reserve fund balances.
