

POSTING

Operator – Parks & Sports Fields
Permanent, full-time

Why Choose Loyalist for Your Next Great Career Opportunity? We are in a building phase with new leadership and have a mix of experiences with newer and veteran Operators. Our team is evolving within a workplace that values respect and hard work. We also like to have fun while accomplishing great things for our Residents!

Loyalist Township is committed to reaching our full collective potential as an employer of choice. We offer excellent pay and benefits, including a defined benefit pension plan (OMERS) and free counselling services for staff and their families. Service to our community and each other is what we do.

Loyalist is a growing community of over 17,000 residents situated on the north shore of Lake Ontario between Greater Napanee and the City of Kingston. The Township is a blend of rural and urban areas with several smaller hamlets throughout, including an island community accessible by ferry. It is an outdoor-lovers dream, with a Great Lake on the doorstep and beautiful Canadian shield lakes and provincial parks minutes away to the north. Next door is the historic City of Kingston, which boasts a lively downtown core right on Lake Ontario, full of excellent restaurants and nightlife offerings. We are also connected to large urban centres by the 401, with the GTA two hours to the west and Ottawa two hours to the east.

What do You offer Loyalist as an Operator? You are a keen and positive person, who loves to work hard. You have experience working in parks and sports field maintenance that has given you the technical understanding for trouble shooting. You value making a difference for the public and contributing to a great team environment where you work collectively to “get the job done”. You are comfortable operating large equipment and can apply your operator and maintenance skills in areas such as winter control operations. You are a stickler for safety and believe in the value of taking the time to do it right the first time.

If this sounds like a great fit to what you are looking for, we would love to hear from you!

JOB DESCRIPTION

POSITION TITLE: OPERATOR – PARKS AND SPORTS FIELDS

DEPARTMENT: COMMUNITY & CUSTOMER SERVICES

REPORTS TO: PARKS AND FACILITIES SUPERVISOR

CATEGORY: PERMANENT FULL-TIME CUPE

UPDATED: JANUARY 2022

POSITION SUMMARY:

This role is an integral part of service delivery to the residents of Loyalist Township and contributes to the achievement of our Strategic Plan. The role contributes to the overall beautification of Township properties with pride. The Operator is assigned responsibilities to operate a variety of the Division's equipment safely and competently. This position provides expertise for the maintenance of the Townships valued parks and sports fields, and hands-on daily operational guidance for team members.

In winter, snow removal duties include operating a variety of machines to plow and sand, including tandem dump trucks, tractors, sidewalk machines, and pickup trucks, et cetera. This position may require extensive additional hours beyond the normal working day, particularly during the winter months.

MINIMUM QUALIFICATIONS:

- Grade 12 diploma plus a post-secondary certificate or diploma in a related field.
- Minimum of two-years relevant experience in grass and turf maintenance. An equivalent combination of education and experience will be considered.
- Experience in arboriculture (tree maintenance) is an asset.
- Playground inspector certification in accordance with CSA standards, or equivalent knowledge and skills is an asset
- Must possess a valid "G" driver's license, an acceptable driver's abstract, and the ability to maintain this. DZ license is considered an asset.
- Demonstrated ability to safely and competently operate various types of equipment including, but not limited to, pick-up trucks, line trimmers, brush chippers, chainsaws, tractors, mowers, and small tools in a safe and efficient manner.
- Chainsaw certification and Book 7 MTO certification is an asset.

- Proficient time management and record keeping skills and flexibility in adjusting between a variety of duties.
- Good problem-solving skills with the ability to recognize when to elevate issues to management
- Mechanical experience with basic equipment repair abilities
- Basic computer skills.
- Demonstrated ability to work independently, as well as within a team.
- Good communication skills, and the ability to be professional and courteous when interacting with the other staff and the public.
- Ability to work shift work and on-call rotations, as well as required overtime

RESPONSIBILITIES:

In co-operation with the broader team, responsible to maintain all parks, sports fields, outside properties, and equipment in excellent condition by:

- Cut grass and perform weed trimming in parks.
- Maintain turf in sports fields, in accordance with turf maintenance standards.
- Pick up garbage, brush, fallen tree branches, etc. as necessary.
- Repair fences, backstops, playground sites, score clocks as required.
- Perform regular cleaning of washrooms and disposal of garbage from parks/sports fields.
- Perform frequent inspections, reports, and repairs on playground equipment in accordance with CSA standards.
- Trim trees and bushes and maintain flower beds as needed, in co-operation with and support of the horticultural team members.
- Assist in other tasks, repairs and maintenance as directed by Supervisor.
- Carry out all necessary equipment maintenance and adjustments while keeping the equipment in a safe, clean and tidy condition, and perform daily circle checks and report defects and, if necessary, undertake small repairs in a prescribed manner.
- Lead work and provide guidance to seasonal student workers, including the safe and efficient use, care and maintenance of tools and equipment, and grass and turf maintenance practices.
- Comply with requirements of the Occupational Health & Safety Act, The Highway Traffic Act, Pesticide Act, all Federal, Provincial and Township regulations, policies and procedures.
- Remove and/or flag obstacles hazardous to employees or the public or that interfere with the safe operation of vehicles or equipment, and duly note and report such conditions to Supervisor.
- Immediately report vandalism, mechanical difficulties and damage.

Winter Control Operations:

- Responsible for operating various types of equipment, including tandem dump trucks, single axle dump trucks, grader, Gradall, excavator, front-end loader, backhoe, tractor complete with mower units, salting and sanding equipment, and various other equipment
- Responsible for providing labour for various winter control activities
- Perform regular patrols and right-of-way inspections as assigned
- Responsible for performing minor repairs to equipment and assisting the Fleet maintenance mechanic in major repairs
- Pick up garbage, brush, fallen tree branches, etc. as necessary
- Provide general maintenance of tractors, trucks and other equipment as assigned

General:

- Must stay current in knowledge and skills.
- Responsible to maintain current knowledge of safe operation for each piece of equipment that is requested to be operated and be familiar with all specific safety devices and procedures for specific equipment, prior to operation.
- Responsible as an employee for health and safety, including working safely within requirements of legislation and policies, reporting hazards, and maintaining a safe and clean environment.
- Provide services to both internal and external customers in a timely and courteous manner.
- Work effectively as part of a team, demonstrating good interpersonal skills, tact, and diplomacy.
- May be required to operate independently at remote locations with little supervision.
- May be required to oversee contracted equipment and Township personnel.

WORKING RELATIONSHIPS:

Internal: daily communication with Parks and Public Works staff/supervisor/manager, frequent communication with other Operators, occasional communication with other Township employees, union representatives.

External: residents, contractors/vendors, external seminar and course providers, external trainers and consultants.

WORKING CONDITIONS:

- Frequent and regular outdoor work in various and changing weather conditions that include but is not limited to rain, hot and cool temperatures, and wind.
- Extensive additional hours beyond the normal working day, particularly during the winter months may be required.
- Ability to work shift work, on-call rotations, and overtime is required.
- Occasionally may be required to attend meetings, programs, seminars, events which may take place at differently facilities, requiring travel.
- May be operating equipment for long periods (3-4 hours) without a break, and in snow events may operate equipment for the duration of shift with minimal breaks.
- Frequent moderate physical exertion and occasional heavy physical exertion, including lifting, digging, shoveling, raking and climbing ladders
- Able to actively participate in daily activities, working within live traffic conditions.

Work may include locations with exposure to sensory elements including waste materials and smells. *The job description reflects the primary duties and responsibilities of this position and should not be construed to describe in detail all duties and responsibilities of the job.*
