Community Hub Update

Loyalist Township is committed to creating greater opportunities for public communications and engagement. As the Community Hub and Aquatics Facility project progresses, project updates will be communicated to the public via a broad range of communication platforms. Additionally, the public will have an opportunity to attend community consultation sessions and provide feedback.

Council have authorized staff to continue with the design and work with the architects and a contractor to provide a Report for the newly elected Council which will include:

- a detailed work plan and cost target for the project
- draft conceptual drawings
- detailed design drawings

For detailed information on the Community Hub and Aquatics Project including a summary to date, a timeline, project details, budget and funding information please visit the Community Hub Project page or use the direct shortcut loyalist.ca/CommunityHub when visiting our website. Through the project page there is also an opportunity to sign up for regular email updates.
