Brisk Morning Observer – Vivian Foster

#### MESSAGE FROM MAYOR JIM HEGADORN

As we look ahead to 2025, Loyalist Township is poised for exciting developments guided by our 2024-2027 Strategic Plan. This comprehensive framework emphasizes sustainability, community engagement, and economic vitality, ensuring that our growth benefits all residents. Throughout 2025, construction will continue on the W.J. Henderson Recreation Centre. I'm confident that when the renewal of the facility is completed in January 2026, the facility will offer a vibrant sense of belonging and pride for everyone who uses it. Your engagement and input on Township projects and initiatives is crucial as we work toward a bright future! I encourage you to explore and register on the Township's new digital engagement platform – [engage.loyalist.ca](https://engage.loyalist.ca). Together, let's foster a vibrant, sustainable community that meets the needs of all our residents while celebrating the unique spirit of our Township.

For the latest news and updates, visit [loyalist.ca](https://www.loyalist.ca) or contact Customer Services at 613-386-7351, [info@loyalist.ca](mailto:info@loyalist.ca) with any additional questions. Wishing you all a happy and healthy 2025!

## WATER CONSERVATION

Catch of the Day – Bob MacMillan

**OUTDOOR WATER CONSERVATION RESTRICTIONS** in effect **May 1 - September 30**. Odd-numbered addresses can water on odd days and even addresses on even days. An exemption for new sod or grass seed can be requested in writing by emailing [info@loyalist.ca](mailto:info@loyalist.ca).

You can help lower your water consumption and save money on your water bill by re-directing your downspout to your lawn, garden or rain barrel, adding mulch to your garden to protect plants, and testing your toilets for leaks. Fixing leaks can save you thousands of litres of water per year. Dye packs for testing are available at the Odessa and Manitou offices.

## WATER LEAK FORGIVENESS ADJUSTMENT POLICY

The Water Leak Forgiveness Adjustment Policy provides metered single-family unit water supply customers an opportunity to request financial assistance in the form of a credit for abnormally high and unintentional (due to exceptional and unexpected circumstances) water bill charges resulting from undetected leaks in their plumbing system, provided such leak has been repaired.

View eligibility criteria for the policy online at [loyalist.ca/WaterLeakForgiveness](http://loyalist.ca/WaterLeakForgiveness).

## Changes to Recycling Collection on July 1, 2025

Starting July 1, 2025, your recycling collection will be managed by Circular Materials Ontario, a not-for-profit Producer Responsibility Organization.

### What does this mean for residents?

#### Prior to July 1, 2025

- Loyalist Township continues to manage recycling and garbage collection

#### Effective July 1, 2025

- No changes to current schedule
- No changes to the materials you recycle
- Recycling schedules continue to be available through the Recycle Coach app
- Separate trucks to be used to collect recyclables and garbage
- Customer service for **recycling** is handled by Emterra:
  - [customercareont@emterra.ca](mailto:customercareont@emterra.ca)
  - 1-888-597-1541
- Customer service for **garbage** is still handled by Loyalist Township:

#### OPEN AIR BURNING

Open air burning in Loyalist is regulated. Regulations include outdoor burning in fire pits, chimineas, burn barrels and fire bowls. Please direct any questions to Emergency Services at 613-386-3762 or visit [loyalist.ca/bylaws](https://loyalist.ca/bylaws) or [loyalist.ca/FireServices](https://loyalist.ca/FireServices) to view.

#### FIRE BANS

For reasons of community safety, fire bans can be implemented by the Fire Chief at any time. Please check the website or follow @LoyalistFire on social media for regular updates.

@LoyalistFire

@LoyalistFire

Fire bans are implemented at certain times of year based on local conditions. Early spring is a vulnerable time in Eastern Ontario because grass and vegetation have not yet started greening up and can become extremely dry. Dry vegetation coupled with an extended dry or hot period as well as projected droughts can lead to a serious fire risk. Compliance during these periods is very important as vegetation fires require resources over an extended period of time and will leave fire departments short staffed and struggling to deal with other emergencies.

### GIVEAWAY DAYS

Residents of Loyalist Township are encouraged to take part in the “Giveaway Days” on **April 26, June 14 and October 18**. This is a great opportunity to de-clutter and find a new home for any unwanted items while also picking up something you may want or need for free! Keep gently used items out of the landfills by allowing others to re-use or up-cycle them.

Clearly label your items as **FREE** and place at the curb in front of your home from **7:00am** on the Giveaway Day. Unclaimed items must be removed by **5:00pm** on the same day and remain your responsibility. Loyalist Township will **NOT** be collecting unclaimed items.

### PRECAUTIONS

The Consumer Product Safety Bureau of Health Canada advises that baby walkers, infant self-feeding devices, elongated tipped lawn darts and poly-carbonate baby bottles (BPA) are illegal to sell or give away. For further information, visit Health Canada’s website at [hc-sc.gc.ca](https://hc-sc.gc.ca).

### FLIDO

**CODERED**

Loyalist now uses **CodeRED**, a critical communications and emergency phone based notification system that residents can opt into. Once subscribed, you can receive geographically based alerts via phone including TDD/TTL, text or email. Alerts include weather warnings, evacuation notices, road closures, boil water advisories, service disruptions, ferry notifications, and more. To sign up, visit [loyalist.ca/codered](https://loyalist.ca/codered) or download the **CodeRED** Mobile Alert App.

### EMERGENCY PREPAREDNESS

Before an emergency happens, it's important to make sure you have a plan in place for your household. Follow the steps below:

- Develop your plan
- Build an emergency kit
- Make sure you stay informed should an emergency occur

Record the details of your emergency plan using the format that works best for you. Include a copy of your plan in your emergency kit and share it with those in your household.

HAZARDOUS PRODUCTS [loyalist.ca/recycling](http://loyalist.ca/recycling)

Supermoon – Nicole Ausken

#### HAZARDOUS PRODUCTS

Many common chemicals can degrade water quality. Do not dispose of chemicals such as paint, degreasers, motor oil, pesticides, fuel, solvents etc. through recycling or garbage, down the drain or in storm sewers. They should be taken to the **Kingston Area Recycling Centre (KARC)**. Loyalist residents may drop off hazardous waste at no charge. Refer to page 15 for further details.

#### WINTER SALT

Winter salt is effective in icy conditions, but too much can harm water sources and wildlife. Try to reduce the amount of winter salt needed using these tips:

- Shovel before you walk/drive to prevent the snow from packing in and forming ice.
- Don't use more salt than needed.
- Don't use salt in very cold temperatures as it's less effective below -11C.
- Use sand or cat litter when its very cold.

BY-LAW ENFORCEMENT & PARKING [loyalist.ca/bylaws](https://loyalist.ca/bylaws)

Frosty Footprints – Vivian Foster

## BY-LAW ENFORCEMENT

By-laws help establish guidelines for people and activities in the Township. By-law enforcement officers work in the community to educate the public, respond to complaints, conduct investigations, issue warnings and penalties for by-law violations. Enforcement is carried out on both a proactive and reactive basis, but in most cases officers respond to community complaints. By-law Enforcement Officers (Ext. 123#) investigate issues such as noise complaints, property standards, littering/dumping, fences, portable signs, animal control and more.

## OVERNIGHT PARKING RESTRICTIONS

On-street parking significantly impairs snowplowing efforts as staff must weave equipment around parked cars.

**Regardless of weather conditions**, it is illegal to park on any road, street, or sidewalk in the Township between **1am - 7am from December 1 to March 31**, in accordance with Township by-law. This by-law is strictly enforced and vehicles in violation will be ticketed.

# Landfill & Recycling

## HOUSEHOLD HAZARDOUS WASTE (HHW)

Residents may dispose of HHW at the **Kingston Area Recycling Centre (KARC)**. HHW waste cannot go in your garbage and must be diverted from landfills. Please see the chart on this page for details of HHW and Landfills.

[cityofkingston.ca/resident/garbage-recycling/recycling-facilities/](http://cityofkingston.ca/resident/garbage-recycling/recycling-facilities/)

## Recycling Bins.....[loyalist.ca/recycling](http://loyalist.ca/recycling)

- New residents are entitled to one free grey bin and one free blue bin
- Damaged bins can be exchanged free of charge at the Odessa Municipal Office or the WJ Henderson Recreation Centre. Provided by CMO.
- Additional bins can be purchased for \$8 each. Up until June 30, damaged bins can be exchanged free of charge at the Odessa Municipal Office.

**Beginning on July 1, Emterra will be responsible for customer service and replacement of recycling bins. Emterra can be contacted at [customercareont@emterra.ca](mailto:customercareont@emterra.ca) or 1-888-597-1541.**

## Waste Collection.....[loyalist.ca/garbage](http://loyalist.ca/garbage)

- **Garbage & recycling** is collected in all wards of Loyalist Township except Amherst Island where they must be delivered to the Amherst Island landfill
- Garbage & recycling must be at the curb by **7am** and both are usually collected before **5pm**
- **Every garbage bag needs a tag** but there is no limit placed on the number of bags/cans put out.
- **The following restrictions apply:**
  - Maximum weight is 40lbs/18kgs per bag/can
  - Bags no larger than 30in x 38in/75cm x 95cm or a can size of 17 gallons/77 litres
  - Tags are \$3.00 each, sold in sheets of 10

## FLIDO (Free Large Item Disposal Opportunities).....[loyalist.ca/flido](http://loyalist.ca/flido)

- Residents may take advantage of a FLIDO at any time during landfill operating hours, including some summer/fall Saturdays marked on the calendar
- All Township households have two FLIDO per calendar year
- One FLIDO is the equivalent of one pick-up truck load, with a cargo capacity of 8ft x 4ft x 2ft (64ft<sup>3</sup>) or 2.44m x 1.22m x 0.6m (1.78m<sup>3</sup>)

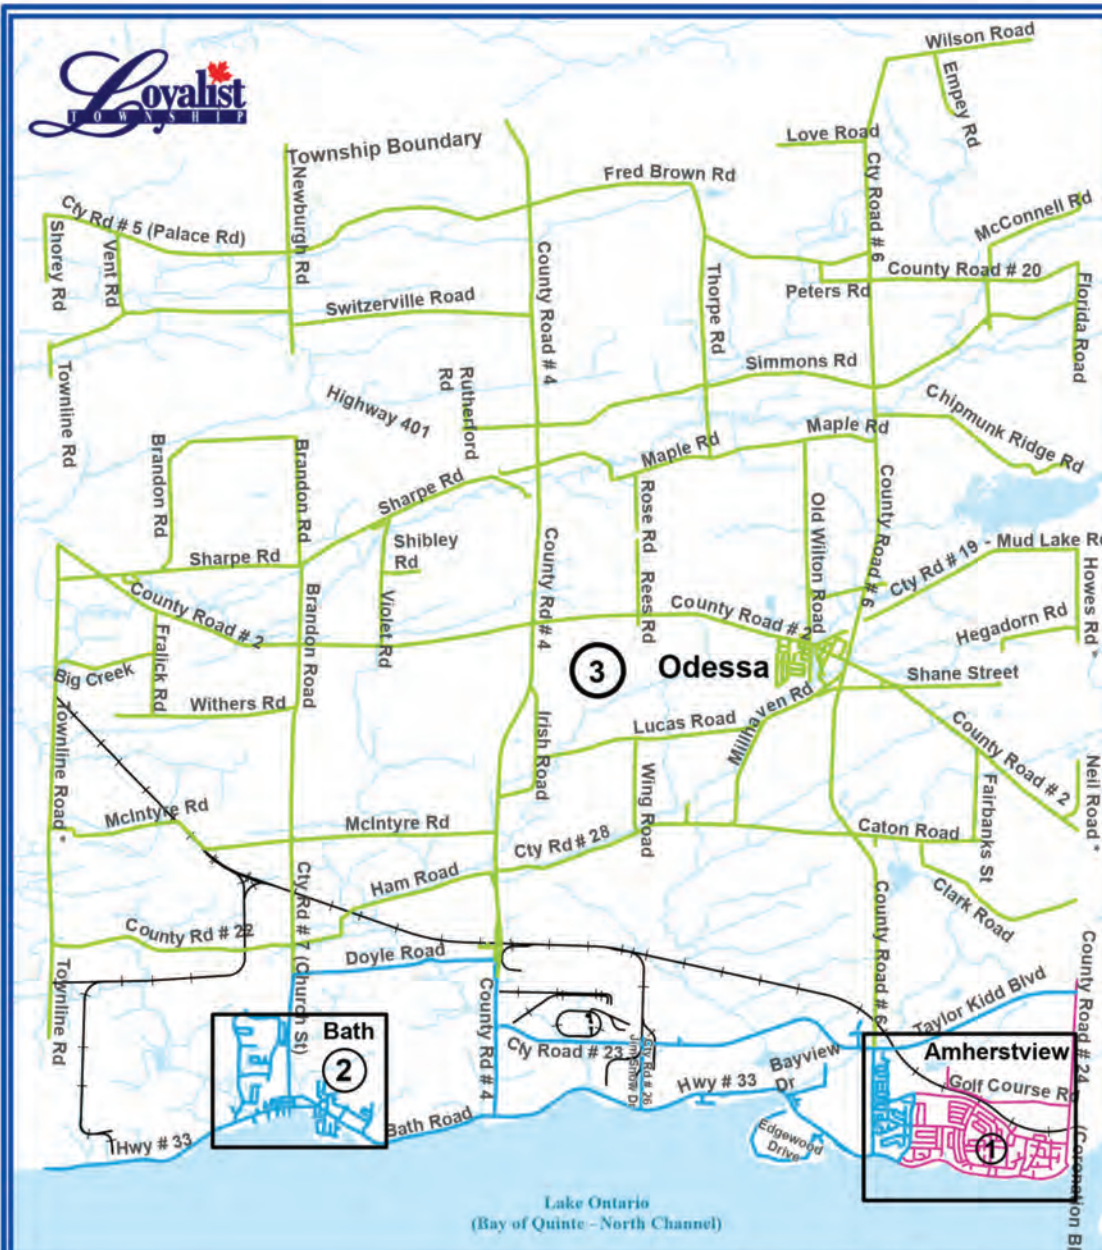

## Tires.....[rp.ca/programs/tires](http://rp.ca/programs/tires)

- To keep tires out of landfills, tire producers are responsible for ensuring used tires are collected and recycled or reused. To find a collection site, visit the Resource Productivity & Resource Authority website at [rp.ca/programs/tires](http://rp.ca/programs/tires)
- Collection sites in Loyalist include Amherstview Auto and O'Neill's Auto.

# Battery Recycling

Loyalist Township has a battery recycling program to help residents safely recycle batteries. Recycling your batteries helps protect your community from harmful materials.

## Where Can I Recycle Batteries?

There are two battery recycling sites in Loyalist Township where residents can recycle accepted batteries.

### Amherstview

- W.J. Henderson Recreation Centre - 322 Amherst Drive

### Odessa

- Loyalist Township Administration Office - 263 Main Street

Find operating hours for the above recycling sites on our Municipal Offices page

### Other Recycling Sites

To search for other battery collection sites outside of Loyalist Township, visit the Call2Recycle web page at [www.call2recycle.ca](http://www.call2recycle.ca).

## Where Types of Batteries Are Accepted?

**Single-Use Batteries:** We can accept all dry-cell single-use batteries weighing up to 5kg such as: Alkaline (AA, AAA, etc.), Lithium Primary.

**Rechargeable Batteries:** Rechargeable batteries are commonly found in cordless power tools, cordless phones, laptops, cellphones, cameras, two-way radios, bio-medical equipment, etc.

**Not Sure What Type of Battery You Have?** Review the Call2Recycle battery guide at [www.call2recycle.ca/batteries](http://www.call2recycle.ca/batteries) for further details.

## How Should I Prepare Batteries?

Terminals of certain battery types should be protected to prevent contact with each other, as this can cause sparks and lead to a fire.

To prevent contact, the following battery types should be placed in a clear, sealed bag (available at recycling locations) or taped with duct tape, electrical tape or another non-conductive tape. Ensure to keep the battery chemistry visible if you tape it.

- Rechargeable batteries
- Lithium-based single-use batteries
- Single-use batteries that are 12V or more
- Any batteries you are unsure of

## Why Should I Recycle Batteries?

Each year billions of batteries end up in landfills, where the toxic metals they contain can enter the waste stream and harm the environment. Call2Recycle diverts these potentially harmful materials from the solid waste stream and safely recycles them for use in new products.
