Delegations and Presentations

Staff Sergeant Ashley, City of Belleville Police – The CAMSafe program is a free registry that allows businesses, industries, residents and municipalities that have security cameras to register their property on a secure platform. The program is divided into two very distinctive and secure sides, the public side where users register their property/cameras, and the law enforcement side where the location of all cameras in a specific area are available for the police. Video evidence usually plays a key role in solving any crime or act of vandalism.

Imagine My Sustainable Community Initiatives
